

# SOFT PLAYDOUGH

[no stove required]

20 minutes

## INGREDIENTS

- 4 cups of boiling water
- Food coloring of choice
- 1/4 cup oil
- 8 tsp cream of tartar
- 2 cups of salt
- 4 cups flour

## DIRECTIONS

- In a stand mixer; add boiling water, food coloring and oil. Mix to combine and continue by adding the cream of tartar, salt and flour.
- With the dough hook attachment, knead until bowl has cooled and the ingredients are well mixed, creating a ball of Playdough.
- Set the timer for 5 minutes and knead on low.
- Remove the playdough from the bowl, place in air tight containers for storage after use.

\*I store our playdough in the refrigerator to keep fresh for up to 3 months. Refresh dried playdough by rubbing 1 tsp of oil into your hands and kneading it into the playdough.

Optional add-ins:

- few drops of your favorite essential oil
- 1 TBSP of glitter
